AGENDA

Reports

1. Nothing new since last meeting.

Objectives

- Discuss branch merge issue.

NOTES

- A branch merge that occurred today seemingly caused some unnecessary files to be pushed to the repository.
- Said merge introduced some issues with the repository, and took some time to fix.
- Some small changes were made to certain code elements after the fix.

ACTION ITEMS

1. Work will continue as planned in yesterday's meeting.

END OF MEETING

Next supervision meeting will be held on 23/9 at 13:15

Next group meeting will be held on 24/9 at 08:00.
