# Supervision Meeting 21/10

---

21 October 2021 / 13:15 PM / ROOM ED-3705

## ATTENDEES

Pegah Amanzadeh, Simon Holst, Kevin Pham, Carl-Magnus Wall, Leo (supervisor)

## AGENDA

### Reports

1. Kevin has produced very nice slides for the presentation as well as fixed some... Simon and Carl-Magnus has worked on fixing bugs, bad practices, as well as making the model less mutable, by tinkering with the Prototype pattern. EmptyBook and EmptyListing has also been implemented to avoid null pointer issues. Kevin and Pegah have also been working on FXML methods, buttons and account page functionality. Carl-Magnus has been working on the report.

### Objectives

- Showcase final product.
- Go through peer review.

## NOTES

- We are nearing the end of the project.
- We are currently good on time for what needs to be done.
- We have time to reflect on and discuss the process.

- Improvements and changes during the process will be discussed vividly in the report.
- Leo has been very supportive.
- User class has too much responsibility.

## ACTION ITEMS

1. Extract functionality from User to own classes (Carl-Magnus, Simon)
2. Fix FXML elements (Pegah, Kevin)
3. Work on documents for the final hand-in (Everyone)
4. Practice final presentation.

## NEXT WEEK'S AGENDA

Final meeting will be held on 22/10 at 08:30
