Group Meeting 17/09

17 SEPTEMBER 2021 / 08:00 PM / ROOM ED-3705

ATTENDEES

Pegah Amanzadeh, Simon Holst, Kevin Pham, Carl-Magnus Wall

AGENDA

Reports

1. Code structure has been fixed and updated on the repository.

Objectives

- Discuss user stories and adapt tasks.
- See over UML diagram and discuss implementation strategies.
- Assign tasks to members of the group.

NOTES

- Code structure seems solid, works on all machines now.
- We still need to create a proper domain model.
- Everyone is ready to start coding, we will work together on campus as much as possible.
- Carl-Magnus and Pegah will be busy with a parallel course for the weekend.

ACTION ITEMS

1. Simon, Kevin and Pegah will start working on FXML/CSS files for our different pages in the application and do some design work in SceneBuilder.

END OF MEETING

Next group meeting will be held on 20/9 at 08:00.
